Interfaith harmony means bringing peace and promoting tranquility among people through positivity. There is an interrelationship among people of different religious beliefs at the individual and institutional level which projects a positive picture in the polity of nations.

Interfaith dialogue can unlock the power of religious traditions and provide the inspiration, guidance, and validation necessary for populations to move toward non-violent means of conflict resolution. Such dialogues have become an increasingly important tool for those who seek to end violent conflicts worldwide.

**Questions for Discussion**

Hailey and Daniel are discussing an issue on the recent conflict that they have in their community. They have two major groups of different religions and they argue on the priorities of building new religious buildings in their town. Each group wants to have their building to be built first.

Imagine a dialogue between Hailey and Daniel on finding ways to peacefully resolve this issue.

**Meet Today’s Global Citizen**

KAICIID is an inter-governmental organization fostering inter-religious dialogue to prevent and solve conflicts. The organization is seeking to bring religious leaders and political decision-makers for peacebuilding and conflict resolution. The mission of the organization is to promote peace, tolerance and understanding among people of different faiths and cultures.
